2D SESSION

H. RES. 1012

Recognizing the 70th anniversary of the outbreak of the Korean war and the transformation of the United States-Korea alliance into a mutually beneficial, global partnership.

IN THE HOUSE OF REPRESENTATIVES

JUNE 22, 2020

Mr. BEREA (for himself and Mr. YOHO) submitted the following resolution; which was referred to the Committee on Foreign Affairs

RESOLUTION

Recognizing the 70th anniversary of the outbreak of the Korean war and the transformation of the United States-Korea alliance into a mutually beneficial, global partnership.

Whereas June 25, 2020, marks the 70th anniversary of the outbreak of Korean war when the Armed Forces of the Democratic People's Republic of Korea (North Korea) attacked the Republic of Korea (South Korea) on June 25, 1950;

Whereas the United Nations Security Council adopted Resolution 83 on June 27, 1950, recommending “Members of the United Nations furnish assistance to the Republic of Korea” and Resolution 84 on July 7, 1950, recommending members make military forces and other assist-

ance available “to a unified command under the United States of America”;

Whereas, on July 27, 1953, an Armistice Agreement was signed by United States Army Lieutenant General William Harrison, Jr., representing the United Nations Command with the Korean People’s Army and the Chinese People’s Volunteer Army to “ensure a complete cessation of hostilities and of all acts of armed force in Korea until a final peaceful settlement is achieved”;

Whereas the Armistice Agreement remains in force today and that by its terms has neither formally ended the Korean war nor constituted a permanent settlement of peace on the Korean Peninsula;

Whereas, on October 1, 1953, the Mutual Defense Treaty Between the United States and the Republic of Korea (5 UST 2368) was signed in Washington with ratification advised by the Senate on January 26, 1954, and remains in force today “to strengthen their efforts for collective defense for the preservation of peace and security”;

Whereas during the Korean war, 1,789,000 United States soldiers, sailors, airmen, and marines served in theater, 36,574 paid the ultimate sacrifice with their lives in defense of freedom in the Republic of Korea, and over 7,500 United States servicemembers remain classified by the Department of Defense as missing in action;

Whereas, on October 7, 2016, H.R. 1475, entitled the “Korean War Veterans Memorial Wall of Remembrance Act”, was introduced in Congress by Representative Sam Johnson of Texas and became Public Law 114–230;

Whereas according the House Report 114–433 to accompany H.R. 1475, H.R. 1475 authorizes a Wall of Remem-

brance to be added to the Korean War Veterans Memorial with the names of those that died in theater, are listed as missing, or prisoners of war, and would also list the number of members of the Korean Augmentation to the United States Army (KATUSA) that were killed in action, wounded in action, prisoners of war, or are listed as missing in action;

Whereas the Korean war is no longer “The Forgotten War” but “The Forgotten Victory” and June 25, 1950, is considered the symbolic start of the ironclad United States-Korea alliance that was forged in blood;

Whereas in the 70 years since the outbreak of the Korean conflict, the United States-Korea alliance has transformed itself from a security relationship into a comprehensive global partnership;

Whereas the Republic of Korea is considered one of the greatest success stories in the post-World War II era and constitutes one of the lynchpins of United States foreign policy in Northeast Asia;

Whereas the United States and the Republic of Korea have stood shoulder to shoulder in all four major conflicts the United States has faced since the Korean war while maintaining peace on the Korean Peninsula;

Whereas this partnership has contributed to regional and global prosperity through the shared values of democracy, free market economy, human rights, and the rule of law;

Whereas it is in the national interest of the United States to maintain its forward deployed presence in the Republic of Korea through United States Forces Korea (USFK), a premier Joint Force that is “well led, disciplined, trained and ready to Fight Tonight and win”;

Whereas the 70-year transformation of the United States-Korea alliance into a mutually beneficial partnership has recently led to important coordination and cooperation in confronting global pandemics including H1N1 in 2009, and COVID-19 in 2020;

Whereas the Republic of Korea has made significant contributions to the global community in combating and containing COVID-19, including the manufacture and export of Reverse Transcription Polymerase Chain Reaction (RT-PCR) test kits to the United States Government and various States;

Whereas, on May 8, 2020, the Republic of Korea donated 500,000 masks to be distributed to Korean war veterans throughout the United States, including the Navajo Nation, in a gesture of gratitude and in commemoration of the 70th anniversary of the outbreak of the Korean war; and

Whereas, on May 10, 2020, the Republic of Korea donated 2,000,000 masks to the United States to help fill shortages in hospitals most impacted by COVID-19: Now, therefore, be it
